## Status Cumulative Number and Percentage of Orders Cleared

${ }^{1}$ An order is "cleared" through voluntary compliance by the owner(s), initiating prosecution action by BD or other enforcement actions such as removal of unauthorised building works by government contractors. Numbers of orders cleared include those which have been superseded or withdrawn for reasons such as change of ownership. This is about $1 \%$ of the orders cleared.
${ }^{2}$ All orders issued before Year2003 have been cleared.
