

ENFORCEMENT ACTION AGAINST LARGE UNAUTHORISED SIGNBOARD

LARGE SCALE OPERATION

The Buildings Department takes enforcement action against large unauthorised signboards which pose potential risks to the public and road safety through Large Scale Operations.

Projecting Signboard

Unauthorised signboards are those erected without the Buildings Department's prior approval and consent or not in accordance with the simplified requirements under the Minor Works Control System.

PRIORITY DEMOLITION ORDER

To strengthen enforcement action against mega unauthorised signboards constituting serious contravention of the law and posing higher potential risks to public safety, the Buildings Department will apply to the court for Priority Demolition Orders under section 24B of the Buildings Ordinance. If the order is not complied with, the Buildings Department will engage a contractor to remove the signboard and recover the costs of works, a supervision fee and a surcharge from relevant parties.
