全賴優質小型工程  
Quality minor works put your mind at ease

你如果要進行小型工程，例如安裝鋁窗、冷氣機支架、晾衣架、窗簾等，都必須先向屋宇署註冊，成為註冊承建商才可以進行。  
你如果要請人進行小型工程，就必須要選聘註冊承建商。

Only those contractors registered with the Buildings Department can carry out minor works, such as installing aluminium windows, drying racks, canopies over windows and supporting frames for air conditioners. If you want to find someone to carry out minor works for you, employ only those on the department's list of registered contractors.
