

Training Course for Registration as RMWC (Individual) in Class III Minor Works

1. Individual self-employed workers with suitable qualifications and experience are eligible for registration as RMWC (Individual) to undertake class III minor works. The completion of this course is one of the requisites for the registration of RMWC (Individual).
2. The course commenced in end October 2009 and is provided by Construction Industry Council Training Academy, Hong Kong Institute of Vocational Education of Vocational Training Council and The Hong Kong Polytechnic University.
3. This is a short course, lasting for about 6 hours.
4. At the early stage (up to October 2012), the course is fully subsidized (maximum subsidy is HK\$250) by the Government provided that the applicant has satisfactorily completed the course. The subsidy is claimed once only. Repeated enrolment, irrespective of which training institute(s) he attends to, will not be entitled to further subsidy.
5. For more details, please refer to [Course Details](#).
6. Enquiries of enrolment can be made direct to the following recognized training institutes on the exact dates, venues and course fees :
