Name of TD (English) _____ (Chinese) _____

HKID No. _____ Signature _____ Date _____

NOTE

1. It is permissible for a person as a TD, to apply for different classes and types of minor works through any of the Alternative Requirements 1-10 in one single application.
2. The certificate, diploma or higher qualifications should be in the field of construction technology such as architecture, building studies, building surveying, civil engineering and structural engineering. Academic qualifications in other fields of studies may also be considered with regard to the relevance of the curriculum in relation to the types of minor works under application.
3. Only the classes & types of minor works which were accepted in the previous registration as TD in RMWC(Co) or RMWC(P) will be considered.
4. Holder of qualification and experience meeting the registration requirements of TD for RSC(D) can only apply for Type G minor works (demolition).
