(Question Serial No. 2612)

Head: (82) Buildings Department
Subhead (No. & title): (-) Not Specified
Programme: (1) Buildings and Building Works
Controlling Officer: Director of Buildings (HUI Siu-wai)
Director of Bureau: Secretary for Development

Question:

Regarding the Mandatory Building Inspection Scheme and the Mandatory Window Inspection Scheme, the Buildings Department has to issue pre-notification letters; statutory notices will only be issued after six and two months respectively. Since the implementation of the schemes, what was the average duration between the receipt of pre-notification letters and the receipt of statutory notices for target buildings each year? What was the longest duration before statutory notices were received?

Asked by: Hon WU Chi-wai (Member Question No. 18)

Reply:

The Buildings Department does not compile statistics on the duration between the issuing of pre-notification letters and statutory notices under the two Schemes, and is therefore unable to provide information on the average and longest durations concerned.
