Question:

Regarding the maintenance of private slopes, please inform this Committee:

- 1) of the numbers of cases involving engagement of consultants and contractors by the Department to carry out the required slope investigation and repair works in the event of default by owners and the expenditure involved in 2015 and 2016 respectively;
- 2) up to March 2017, did the Department successfully recover the cost from the owners concerned in all these cases? If not, what is the progress? Were any amounts written off? What are the details and reasons?
- 3) at present, how many dangerous hillside orders have not yet been complied with (or the required repair has not yet been completed) for one to three years, four to six years, seven to nine years, and ten years or above after the specified time.

Asked by: Hon WU Chi-wai (Member Question No. 68)

Reply:

- 1) The Buildings Department (BD) engages consultants and contractors to carry out the required slope investigation and repair works in the event of default by owners. The costs of such works plus supervision charges and surcharges will be recovered from the owners afterwards. Such works were carried out in respect of 12 dangerous hillside orders (DHOs) in 2015 and 11 DHOs in 2016. The amount paid to consultants and contractors was \$17.2 million in 2015-16 and \$20.3 million in 2016-17 (up to December 2016).

- 2) From 2015-16 to the end of 2016, the amount of cost recovered and written off in relation to the carrying out of slope investigation and repair works in the event of default by owners is as follows –

	Amount of cost recovered from Owners (\$ million)	Amount of cost written off^{Note} (\$)
2015-16	1.1	58,139
2016-17 (up to December 2016)	13.7	84,649

Note : The reasons for writing off the cost include that the owner has deceased without a probate and the whereabouts of the owner is not known.

- 3) Up to end February 2017, statistics on outstanding DHOs based on the overdue period are tabulated below –

Overdue period	Number of DHOs
less than 1 year	80
1 to 3 years	228
4 to 6 years	156
7 to 9 years	115
10 years or above	116
Total	695
