

Type E Minor Works Continuing Professional Development Course for Authorized Signatory (Registered Specialist Contractors (Ventilation))

1. For an authorized signatory (AS) of Registered Specialist Contractors (Ventilation Works Category) who intends to be registered as Type E minor works (i.e. works relating to structures for amenities), but does not possess the academic training in building technology at Certificate level, he has to complete this course before his application can be accepted.
2. The course will last for about 6-8 hours. The Construction Industry Council Training Academy, Hong Kong Institute of Vocational Education of Vocational Training Council, The Hong Kong Polytechnic University and The University of Hong Kong will provide the course, subject to the situation of enrolment.
3. No government subsidy will be provided to applicants taking the course.
4. For more details, please refer to [Course Details](#) .
