Dear Sir/Madam,

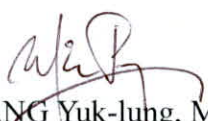

Subscription to the Construction Industry Integrity Charter 2.0

The Development Bureau (DEVB), the Independent Commission Against Corruption (ICAC) and the Construction Industry Council (CIC) jointly launched the Construction Industry Integrity Charter 2.0 (the Charter 2.0) to promote and encourage the implementation of an Integrity Management System (IMS). I write to appeal to you to subscribe the Charter.

2. Following the launch of the Integrity Charter in September 2021, the Charter 2.0 extended its scope from contractors to consultants to uphold and enhance professionalism and integrity of the construction industry. Thus, you are strongly encouraged to participate in the Charter 2.0 and implement IMS in your company.

3. For details on the Charter 2.0, please visit cpas.icac.hk/EN/Info/TP_Library?cate_id=10025. You may also refer to the video (youtu.be/oyHOzu8y75Y) for promoting the Charter 2.0.

Yours faithfully,

(PANG Yuk-lung, Michael)
