Registered Geotechnical Engineers  
Registered Inspectors  
Registered General Building Contractors  
Registered Specialist Contractors  
Registered Minor Works Contractors

Dear Sir/Madam,

### List of Accepted Academic Qualifications (AAQ)

I am pleased to inform you that the academic qualifications of the authorized signatories (AS), technical directors (TD) and other officers (OO) of the registered contractors previously accepted by the Building Authority for contractors' registration under the Buildings Ordinance have been promulgated on the website<sup>1</sup> of the Buildings Department for reference.

2. The AAQ aims to enhance public access to information for reference by applicants concerning contractors' registration. In general, the academic qualifications awarded by an institution in a specific year as shown in the AAQ are considered acceptable, and applicants for contractors' registration will not be required to submit further substantiations.

3. You may note that the requirements of academic qualifications for AS/TD/OO of registered contractors are laid down in Practice Notes for Registered Contractors 38 and 69.

Yours faithfully,

( TAM Wing-cheung )

Assistant Director/Corporate Services  
for Building Authority
