

Minor Works Contractors Registration

Under Schedule 1 of the Building (Minor Works) Regulation (B(MW)R), a total of 118 minor works items are specified therein amongst which 38 of them are class III minor works items. In order to ensure that only contractors who are able to perform their duties and responsibilities in a competent manner are allowed to carry out the respective items of minor works, they are required to be registered under the Buildings Ordinance (BO).

Register of Minor Works Contractors

2. Under s.8A(1)(c) of the BO, the Building Authority (BA) is to keep a register and a provisional register of minor works contractors who are qualified to carry out such minor works belonging to the class, type and item specified in the register for which they are registered.

For ease of identification, those minor works contractors who are registered under s.10(1)(a) of the B(MW)R in the name of an individual self-employed worker for carrying out various items of class III minor works are to be referred to as Registered Minor Works Contractors (Individual) (RMWCs (Ind)). 4. The names of the RMWCs (Ind) and RMWCs (Co), together with the items, types and classes of minor works that they are qualified to carry out, the expiry date of their registration and their registration number will be published annually in the Gazette. Similar information including Authorized Signatory (AS) as referred to in paragraph 16(a) below will also be posted on the Buildings Department website.

Appointment of AS / TD of RMWC (Co)

14. To ensure that adequate supervision and proper management are provided for the carrying out of minor works and to avoid possible situations of conflict of interest, persons who have been accepted as the AS / TD for an RMWC (Co) cannot act as a key personnel for another contractor firm simultaneously. Key personnel herein refer to an AS / TD or an Other Officer as described in Practice Note for Registered Contractors 38.

Refusal of Incomplete Submission

15. The BA may refuse an application if the information or documentary proof that the BA considers necessary for determining the application is not submitted.

Minor Works Contractors Registration Committee

16. Minor Works Contractors Registration Committee (MWCRC) is an independent body appointed by the BA under s.6 of the B(MW)R. The function of the MWCRC is to assist the BA in considering applications relating to registration matters of minor works contractors under the B(MW)R by:

- (a) examining the qualifications of applicants;
- (b) inquiring as the MWCRC considers necessary to ascertain whether an applicant has the relevant experience;
- (c) conducting interviews with applicants and their key personnel;
- (d) advising the BA to allow, defer or refuse either in whole or in part the applications; and
- (e) reviewing the decisions of the BA or the recommendations of another MWCRC.

Composition of an MWCRC

17. Under s.7(1) of the B(MW)R, a MWCRC shall consist of:

- (a) one person nominated by the BA, who in the opinion of the Authority, has knowledge and experience in minor works;
- (b) one authorized person (AP) or registered structural engineer (RSE) selected by the BA from nominations by the Architects Registration Board (ARB), the Engineers Registration Board (ERB) and the Surveyors Registration Board (SRB); and

/(c).....

- (c) one person selected by the BA from among persons nominated by such bodies as the BA thinks fit.

18. Under s.7(3) of the B(MW)R, the members of the committee will elect the Chairman among themselves.

Requirements and Scope of Interview

19. For application involving class I minor works, including registration as RMWC (Co), addition of minor works and addition of AS / TD, the BA will refer it to the MWCRC for consideration.

20. When an application is referred to the MWCRC for consideration, the AS nominated by the applicant in the application, or where necessary, the TD, will represent the applicant to attend an interview with the MWCRC. Application not involving class I minor works in general will not be referred to the MWCRC except there are special circumstances rendering the need for referral.

21. In processing applications for renewal of registration and restoration of name to the register, the BA may seek advice from the MWCRC under s.15(1) and s.19(1) of the B(MW)R.

Discretion of the BA and the MWCRC Regarding Requirements for and Scope of Interviews

22. It is emphasized that whether a particular applicant and his AS / TD is required to attend an interview or not and the scope of any such interview are dependent on the circumstances of each case and are solely at the discretion of the BA and the MWCRC for the purpose of ensuring the required standard of the contractor. Performance of the applicant during the interview, the track records of the applicant, etc, will be taken into consideration in this regard.

Recommendations of MWCRC

23. For any application for registration, additional minor works and additional AS / TD that has been referred to the MWCRC, the BA must not allow, in whole or in part (as the case may be), such an application unless the MWCRC so recommends.

Transitional Arrangement

24. Within 2 years upon commencement of the registration for minor works contractors, current practitioners who do not possess the requisite academic qualifications for registration as RMWC (Co) but possess adequate working experience may submit their applications for registration as a Registered Minor Works Contractor (Provisional) ((RMWC(P))).

25. An RMWC(P) can apply for full registration as an RMWC (Co) when its AS has completed a recognized top-up course in minor works. The registration of an RMWC(P) will expire when the RMWC(P) has obtained full registration as an RMWC (Co) or upon the expiry of two years after the commencement of the minor works control system; whichever is earlier.

Review of Decisions of BA or Recommendations of MWCRC

26. An applicant who is aggrieved by a decision of the BA or a recommendation of a MWCRC in respect of matters arising from application for registration, renewal of registration, restoration of registration, addition of items / types / classes of minor works and addition of AS / TD may request a MWCRC to review the decision or recommendation under s.26 of the B(MW)R by submitting the request in a specified form to the BA. Upon payment of the prescribed fees, a request for review will be presented to a MWCRC for consideration. Where required, the person making the request may have to attend an interview with the MWCRC. If the BA subsequently substitutes the original decision with another decision, the review fee paid by the applicant will be refunded.

27. The MWCRC directed to review shall not consist of a member who has considered the original application on which the decision or recommendation under review relates.

Application Procedures and Requirements

28. Details of the application procedures and requirements for inclusion of names in the minor works contractor registers, renewal and restoration of registration are provided in Practice Note for Registered Contractors 69.
