

Central Data Bank List of Building Components
--

A. General

Department:	Buildings
Type of building component:	Other Building Components

B. Acceptance criteria

The AP should confirm and certify in the schedule the application and performance of building materials and products in compliance with the relevant provisions of the Buildings Ordinance and Regulations.

Conditions of Acceptance:

NA

BD's Reference List under Central Data Bank

(F) Other Building Components (e.g. glazing barrier, etc)

Ref. No.	Product Name	Name of Manufacturer	Fire Resisting Performance (minutes)		Details of Test or Assessment Report					Date of Posting on CDB	Remarks/ Comments
