

Summary of Decisions of the Building Committee
Building Committee I 43/2005 held on 8.11.2005

(a) Matters Arising MAI 1 41/2005

Issue : Proposed building over a street and inclusion of the street into site area.

Decision : The committee noted that there were objections to the proposal and that the developer had submitted alternative design which was a better design according to TD's advice. The committee was of the view that the AP should revisit his design proposed in the submission.

(b) MAI 1 43/2005

Issue : Formal appeal against BA's disapproval be contested.

Decision : The committee agreed to refer the appeal to BAC for a decision.
