

Summary of Decisions of the Building Committee
Building Committee I 26/2009 held on 7.7.2009

(a) BCI 1 26/2009

Issue : Proposed composite development with an PTI being excluded from GFA calculation.

Decision : The committee noted that according to the advice of PlanD, the PTI was allowed to be disregarded from GFA calculation under the OZP. In the circumstances, the committee accepted the exclusion of the same from GFA calculation under B(P)Reg subject to no adverse comments from other relevant outside departments.
