

**Summary of Decisions of the Building Committee**  
**Building Committee I 31/2010 held on 10.8.2010**

(a) MAI 1 31/2010

Issue : Footbridge to project over street.

Decision : Having studied the design and noting the proposal was accepted by ACABAS and no objections from other government departments, the committee accepted the proposed footbridge to project over street.

(b) BCI 1 31/2010

Issue : Application for excessive non-domestic site coverage in accordance with PNAP APP-132

Decision : The committee, having studied the design and noted the adverse comments from two departments, the committee agreed to defer a decision pending clarification of the adverse comments.

(c) BCI 2 31/2010

Issue : Formal appeal against BA's disapproval of plans under BO s16(1)(d) and B(P)R 21.

Decision : Having considered the case, the committee agreed to contest the appeal.
