

Summary of Decisions of the Building Committee
Building Committee I 26/2014 held on 2.7.2014

(a) BCI 1 26/2014

Issue : Temporary building to be erected underneath a flyover.

Decision : Noting that there was no objection from relevant departments, the committee agreed to permit the proposed temporary building to be erected underneath a flyover.

(b) BCI 2 26/2014

Issue : Headroom of proposed shops and associated lobbies and corridors.

Decision : Having studied the design, the committee had no objection to the proposed headroom subject to further substantiation.
