

**Summary of Decisions of the Building Committee**  
**Building Committee I 7/2019 held on 26.2.2019**

(a) BCI 1 7/2019

Issue : Exclusion of void over the G/F entrance foyer from GFA calculations.

Decision : Noting the design of the void generally met the criteria set out in Appendix A to PNAP APP-2 and no adverse comment from relevant departments, the committee agreed in principle to exclude the void from GFA calculations subject to AP's further clarification.
