

Summary of Decisions of the Building Committee
Building Committee I 7/2020 held on 17.3.2020

(a) BCI 1 7/2020

Issues : (i) Non-compliance of building set back requirement.
(ii) Exclusion of voids from GFA calculations.

Decisions : The committee, having considered the genuine constraints of preserved buildings and their spatial connection with the proposed development, accepted in principle the deficiency in compliance with building set back requirement and the exclusion of voids from GFA calculations, subject to no adverse comments from other departments.
