

Summary of Decisions of the Building Committee
Building Committee I 33/2021 held on 28.9.2021

(a) MAI 1 33/2021

Issue : Provision of centralised refuse storage and material recovery rooms on G/F.

Decision : Having regard to the circumstances of the case, the committee had no objection in-principle to the alternative design strategy of provision of centralised refuse storage and material recovery rooms on G/F.

(b) BCI 1 33/2021

Issue : Proposed high headroom of transit mail centre.

Decision : Having considered the design, functional and operational needs of the building, the committee had no objection to the proposed headroom.

(c) BCI 2 33/2021

Issue : Temporary building erected underneath an elevated road.

Decision : Having regard to the circumstances of the case, the committee had no objection in-principle to permit the proposed temporary building be erected underneath an elevated road subject to no adverse comment from relevant department.
