

Summary of Decisions of the Building Committee
Building Committee II 17/2005 held on 17.5.2005

(a) BCII 1 17/2005

Issue : Proposed 29-storey commercial building with less than 25% of the major façade to be served by the EVA.

Decision : Having considered the existing site constraints and the FSD's advice, the committee accepted the proposed EVA.

(b) BCII 2 17/2005

Issue : Proposed 3-storey single-family house with EVA located at a distance of more than 10m from the building.

Decision : Having considered the nature of development and the existing site situation, and the FSD's comment, the committee accepted the proposed EVA.
