

**Summary of Decisions of the Building Committee
Building Committee II 20/2005 held on 7.6.2005**

(a) BCII 1 20/2005

Issue : Proposed single-family house with provision of EVA not in compliance with the MOA Code in term of the turning space.

Decision : The committee, having considered the existing site situation and FSD's advice, accepted the proposal.

(b) BCII 2 20/2005

Issue : Proposed school development without the provision of EVA.

Decision : The committee, having considered the site constraint and FSD's advice, accepted the non-provision of EVA.
