

Summary of Decisions of the Building Committee
Building Committee II 26/2005 held on 19.7.2005

(a) BCII 1 26/2005

Issue : Proposed solar tower with EVA serving less than 25% of the perimeter wall of the building.

Decision : The committee, having considered the site situation and FSD's advice, accepted the proposed EVA.

(b) BCII 2 26/2005

Issue : Proposed 3-storey kindergarten with EVA of inadequate width and lack of turning space.

Decision : The committee, having considered the site constraints and FSD's advice, accepted the proposed EVA arrangement.
