

Summary of Decisions of the Building Committee
Building Committee II 34/2007 held on 10.9.2007

(a) BCII 1 34/2007

Issue : The major facades of a single storey building and 4 nos. of open-side shelters being setback for a distance of more than 10m from the EVA.

Decision : The committee, having noted the site situation and FSD's advice, accepted the EVA arrangement.
