

**Summary of Decisions of the Building Committee  
Building Committee II 2/2008 held on 14.1.2008**

(a) BCII 1 2/2008

Issue : Proposed 2-storey church building to be served by an EVA of inadequate width.

Decision : The committee, having considered the site situation and FSD's advice, accepted the proposed EVA arrangement.

(b) BCII 2 2/2008

Issue : Non-provision of EVA to the transformer building

Decision : The committee, having noted the site situation and FSD's verbal advice, accepted the non-provision of EVA.
