

**Summary of Decisions of the Building Committee
Building Committee II 3/2008 held on 22.1.2008**

(a) BCII 1 3/2008

Issue : Provision of openable window for ventilating the lobby of the fireman's lift.

Decision : The committee, having considered the existing site situation and FSD's advice, accepted the proposal.

(b) BCII 2 3/2008

Issue : Non-provision of sanitary fitments and fittings in designated lavatories at the time of application for an Occupation Permit.

Decision : Taking into account the environmental concern and AP's undertaking, the committee accepted the non-provision of sanitary fitments and fittings at the time of application for an OP.
