

**Summary of Decisions of the Building Committee
Building Committee II 19/2008 held on 3.6.2008**

(a) BCII 1 19/2008

Issue : Proposed building extension to be served by an EVA of inadequate loading capacity.

Decision : The committee, having considered the site situation and FSD's advice, accepted the proposed EVA arrangement.

(b) BCII 2 19/2008

Issue : Proposed school extension to be served by an existing EVA of inadequate turning radius.

Decision : The committee, having considered the site situation and FSD's advice, accepted the proposed EVA arrangement.
