

Summary of Decisions of the Building Committee
Building Committee II 25/2016 held on 20.9.2016

(a) BCII 1 25/2016

- Issues : (i) Protective barriers of inadequate height.
- (ii) Design of gangways in a PPE.
- Decisions : (i) Having studied the proposal, the committee had no in-principle objection to accept the proposed protective barriers subject to further justification.
- (ii) Having studied the proposal, the committee had no objection in principle to accept the proposed design of the gangways subject to further justifications.

(b) BCII 2 25/2016

- Issue : Site without connection to public sewer for the disposal of foul water.
- Decision : Having considered the site situation and the advice of the relevant outside departments, the committee had no objection in principle to the proposed drainage system subject to further justifications.
