Building Committee II 14/2017 held on 29.8.2017

(a) BCII 1 14/2017

Issue : Non-provision of sanitary fitments in the religious development.

Decision : The committee had no objection to the non-provision of sanitary fitment in the proposed religious building, having regard to the AP's proposed compensatory measures, size and the use of the building.

(b) BCII 2 14/2017

Issue : Proof of realistic prospect of control of the land forming the site.

Decision : Noting the applicant was holding a significant percentage of the units/land forming the site and had indicated steps to acquire the outstanding ownership, the committee accepted in principle the proof subject to AP's further justifications.
