

**Summary of Decision of the Building Committee
Building Committee II 22/2017 held on 5.12.2017**

(a) BCII 1 22/2017

Issue : Height of storeys and headroom under beams of existing aged Public Rental Housing Estates.

Decision : Having noted the circumstances, the committee accepted in principle the deficiency in height of storey and headroom under beams subject to the compensatory measures for enhancing the lighting and ventilation provisions.
