

Summary of Decisions of the Building Committee
Building Committee II 16/2018 held on 4.9.2018

(a) BCII 1 16/2018

Issue : PPE mixed with other uses in the same building.

Decision : Having regard to site circumstances and noting that the proposed PPE would comply with the requirements stipulated in the FS Code, the committee had no objection in principle to grant a modification to permit the PPE be mixed with other uses in the same building subject to no adverse comments from other department.
