

Summary of Decisions of the Building Committee
Building Committee II 2/2019 held on 22.1.2019

(a) BCII 1 2/2019

Issue : PPE mixed with other uses in the same building.

Decision : Having regard to site circumstances and noting that the proposed PPE would comply with the requirements stipulated in the FS Code, the committee had no objection in principle to grant a modification to permit the PPE be mixed with other uses in the same building subject to no adverse comments from other department.
