

Summary of Decision of the Building Committee
Building Committee II 11/2022 held on 22.11.2022

(a) BCII 1 11/2022

Issue : PPE mixed with other uses in the same building.

Decision : Having regard to circumstances of the case, the committee had no objection in-principle to permit the PPE be mixed with other uses in the same building subject to no adverse comment from relevant department.
