Basis for Qualified Opinion

In common with many businesses of similar size and organization, the Company's system of control is dependent upon the close involvement of the director. Where we have accepted assurances from the Directors on the completeness of accounting records, there still exists some uncertainties as to whether all information that is relevant to the preparation of the financial statements have been provided to us and all the Company's transactions have been reflected in the records.

Bank confirmation letter in respect of cash at bank amounted to HK\$9,999 has not been received by us and the amount was verified only by original bank statements. Accordingly, we were unable to satisfy ourselves on the completeness of any special arrangements, restrictions or commitments held with the bank.

Qualified Opinion

In our opinion, except for the possible effects of matter described in the basis for qualified opinion paragraph, the financial statements of the Company for the year ended 31st March, xxxx are prepared, in all material respects, in accordance with the SME-FRS and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Report on Other Matters under Sections 407(2) and 407(3) of the Hong Kong Companies Ordinance

In respect alone of the inability to obtain sufficient appropriate audit evidence as described in the Basis of Qualified Opinion paragraph above:

- we were unable to determine whether adequate accounting records had been kept ; and
- we have not obtained all the information and explanations that, to the best of our knowledge and belief, are necessary and material for the purpose of the audit.
